## Welcome back

We hope you all had a relaxing and enjoyable Easter break.

## Fun in the sun

Early years have had a lovely first week back. They have enjoyed being outside with the sun shining and playing on the hill after the grass had been cut. They even practised their roly-poly's down it! The children got creative and used trays as sledges and pushed each other down the hill.

**Our new website  
has now gone  
live.**

**Please bear with  
us whilst we add  
information to  
this and personal-  
ise it!**

## Volunteer Readers

We are looking for parents to do some reading in school with our children. If you have some free time each week and would like to help, please let Mrs Duckers know.

## Summer Term Clubs

Confirmation emails have been sent out this week for Clubs. Clubs commence next week beg 15th April.

We still have space left in the Clubs below:

Monday	Netball	Yr's 3-6	(£22 for the term)
Tuesday	Mini Golf	Yr's 1-2	
Wednesday	Quidditch	Yr's 3-6	
Thursday	Dood Music Club	Yr's 2-6	(£22 for the term)
Thursday	Football	Yr's 1-2	
Thursday	Gardening Club	Yr's 3-6	(£22 for the term)

*Friday Football for KS2 and Tuesday Computing for KS2 are now full.*

# Reading Adventure Day!

Reading was brought to life today through an incredibly fun escape-room style reading challenge! The children were absolutely brilliant at working together to crack the codes and escape the castle alongside scaring the dragon away!

"I love being a detective and finding all the clues!" **Frank Y2**

"It was really fun following the dragon around the school." **Poppy Y2**

"Reading the secret words is fun!" **Rowan Y1**

"I was a bit scared that the dragon was close but we scared him away." **Isabelle Y1**

"We used all the clues to escape the castle!" **Lewis Y5**

A huge thank you to the parent helpers who came to support the children.

### Year 6 Resurrection Assembly

Year 6 performed a powerful assembly which followed the Resurrection of Jesus through narration, hymns and drama. The children performed their parts confidently and respectfully and, impressively, some even learned their lines off by heart!

### Class Assemblies

This term, each class will lead another class assembly that relates to something they have been learning about in class. These will take place on a Friday morning at 9am and then our praise assembly will happen straight afterwards.

The dates for these are:

26th April: Y3

3rd May: Y4

17th May: Y2

21st June: Y5

28th June: Y1

5th July: FS2

17th July: Y6

We hope that in giving you these dates in advance, you are able to attend your child's assembly.

Before the Easter holidays, **Year 3** spent lots of time researching and designing a 'healthy packed lunch' suitable for a target market of primary school children. They spent time looking at how food can help our bodies and how it is important to prepare and present the food well so that young people are encouraged to eat healthily. On Thursday, the children worked hard to make their packed lunch using the tools and techniques that they had learnt throughout their research. The classroom became a very busy working kitchen full of chefs who knew exactly what they wanted to produce on their plates. Year 3's final products were colourful, presented well, healthy and apparently they were extremely tasty!
