

# Art: Sculpture

Key word	Definition
Sculpture	Is a type of art form that is three dimensional.
Assemblage	Is a type of art that is made by assembling elements
3 Dimensional (3D)	works of art that present the dimensions of height, width, and depth.
Relief	means that hangs on the wall or it's fairly flat on the floor, but it still has three dimensions.
Free-standing	It means it's standing in a space, whether it's indoors or outdoors, and you can see all around it.
