Second Sunday of Advent

As we light the second candle in our Advent wreath this week, we remember the theme of peace. We repent and ask for forgiveness for our wrong doings.

Mass Times this weekend at Our Lady's Parish Church:

Saturday at 5pm and Sunday at 9am and then 11am which includes the children's liturgy.

Carols Service

All children in Y4, 5 and 6 are part of our Carols Service.

This is taking place in Our Lady's Parish Church at 6pm on Tuesday 16th December.

Please ensure you have put this date and time in your diary so you can attend.

Your child will need to be at the church at 5:45pm.

All parents are welcome to attend this event; not just parents of the children in these year groups.

This is set to be a fantastic joint parish and school event!

Please take some time to pray our school Advent prayer with your child at home during this special time of year.

Blessing

We are very thankful to Fr Godlove who came into school today to bless our new House Saint banners, our new crucifix and our altar.

Advent Prayer

*The world was in darkness and nobody knew
the way to the Father as you and I do.
They needed a light to show them the way,
and the great light shone on Christmas Day.*

Stay and Pray Sessions

Next term, we will be having Stay and Pray sessions for each year group. These will take place after drop off at 9am and will be held in the school hall.

We hope you can attend these:

Thurs 8th Jan: Y1&2
Thurs 15th Jan: Y3&4
Thurs 22nd Jan: EY
Thurs 29th Jan: Y5&6

Parish Christmas Celebration

Please keep free Sunday 21st December for this event.

This week, the children in year 3 to year 6 received an invitation to sing Carols at this event to open it. Thank you to the many families who have signed up to attend this.

I hope you are able to attend!

EY Nativity

A huge well done to all the children in Early Years for their wonderful Nativity performance. The singing and acting were truly amazing, and every child shone brightly on stage. Your hard work, confidence, and enthusiasm made the performance a joy to watch, and we are all incredibly proud of you.

Bridge Farm

Nature club ended the term with a trip to Bridge community farm. The children worked with different tools on our planting beds, getting them ready for the planting season and we planted some seeds to start off in the poly tunnel.

We will visit again in spring to make a start on planting our vegetables. Thank you to Mike and the team for the warm welcome as always.

Our planter and bug hotel are signposted if you wanted to visit with your family. If you would like to get involved in the maintenance of our areas at Bridge Farm please contact the school office.

Well done to Amelia for doing the Santa Dash last weekend and raising much needed funds for the hospice.
Great effort Amelia!

Early years had fun, learning how to use the equipment on the main playground. The children could share and work together as a team to play with each other. It was great to see all three classes working as one.

FS2 applications for September 2026 are due by Thursday January 15th 2026.

Bling your bike competition

Huge congratulations to all the children that entered the road safety competition. Your bikes looked amazing and really brightened up the playground. It was a very difficult job for the Junior Safety Officers to choose the winners, so they decided that everyone deserved a goody bag and main prizes were awarded to the 1st, 2nd and 3rd for each key stage.

Thank you to all who took part.

Jake & Alice

Term Time Holidays

Please remember that these can only be granted in exceptional circumstances. If you need to take leave in term time, please make an appointment to speak with Mrs Baird.

Christmas Fair!

What a success our Christmas Fair was! The children really enjoyed the food, face painting, seeing their arts and crafts and of course meeting Santa in the grotto.

Thank you for your support!
It was great to see so many families in attendance!

Year 4 Forest School Session

On Wednesday, the children in Year 4 enjoyed creating a digestive system. They used food, water for the saliva and food colouring for the acids and enzymes. The food travelled from the stomach (food bag) to the intestines (sock) before leaving the body. They learnt about each function within the digestive system and its importance.

The children then had the opportunity to make Christmas decorations, paintings, bracelets and wood cookies. We finished our afternoon with s'mores and hot chocolate by the fire.

Olivia- 'I liked learning about the digestive system and seeing how we make poo!'

'We painted snowmen and made snowmen using pipe cleaners.' Georgia and Hugh
