## Shrewsbury Cathedral

A group of children went on a pilgrimage to Shrewsbury Cathedral yesterday as part of the Jubilee Year. The children attended Mass and then did a quiz on the cathedral where they learned about the different parts. We also saw the window which shows the story of The Visitation. This was the replica icon that we recently had in school.

KS2 children will be attending the 9:30am Parish Mass in Our Lady's Church on Tuesday 25th November. Please join us if you are able.

Thank you to Fr Godlove for donating this crucifix to St Saviour's.

After a sanding, repainting and remounting; it looks fantastic and has pride of place in our school hall above our school prayer.

### Our School Prayer

Thank you for  
St Saviour's School,  
where we care and share,  
where we play and pray.  
Respecting each other  
as we learn and love,  
with Jesus in our hearts.  
Amen.

## International Sunday Mass

On Sunday 23rd November at 11am, our parish will be celebrating the Solemnity of Christ the King with an International Mass.

Parishioners are invited to come forward and lead a prayer in their own language.

It would be fantastic to see some of our St Saviour's children involved in this.

After Mass, in our parish centre, you are invited to bring a dish from your culture to share.

## Mass Times this weekend at Our Lady's Parish Church:

Saturday at 5pm and Sunday at 11am which includes the children's liturgy.

During Advent we prepare for the coming of Jesus at Christmas.

For this reason at St Saviour's we will be collecting money to buy Christmas hampers for the elderly people in our community who need us the most. We want to make them feel the love of Jesus in their hearts as we get ready to celebrate Christmas.

Each class will have a money box and, with all the money we raise, we will buy all the essentials they might need to have a wonderful Christmas.

Join us in our campaign, and share the light of Jesus with those who need it!

Please encourage your child to take part in our Advent project.

We will be giving to the elderly and housebound in Ellesmere Port this Christmas.

We were very proud this week to hear that Isaac and Grace took part in last Sunday's Remembrance Parade. They were chosen to lay the wreath!

### Girls Football Competition

A huge congratulations needs to be given to the girls from Y5/6 who represented our school yesterday at the girl's football competition. There were 10 teams split into two leagues and again, we were lucky enough to have our parent helper (coach) there for the first half. The girls played brilliantly without losing a single game and because they played so well, we secured a place in the county finals in January. WHAT A TEAM!  
WELL DONE GIRLS!  
We are very proud of you all!

The children in Y4 have been using natural objects to create detailed drawings just like Leonardo da Vinci!

What's the best thing about a rainy day? Jumping in puddles!  
Nursery had so much fun jumping in the puddles in our outdoor area.

### Term Time Holidays

Please remember that these can only be granted in exceptional circumstances. If you need to take leave in term time, please make an appointment to speak with Mrs Baird.

### FS2 Forest School

During Tuesday's Forest School session, FS2 pupils engaged in a creative activity, making poppies from a variety of materials to commemorate Remembrance Day.

Year 4 have been learning all about scale on a map. They used a scale to find the distance between two locations using a map of Ellesmere Port.

### Parent Forest School Session

**Tuesday December 2<sup>nd</sup>**  
**9-10am**

- Come and see what your child is getting up to during their forest school sessions and how it is supporting their learning.
- Learn about the benefits of forest school and outdoor learning.
- Take part in some seasonal forest school activities.
- The chance to meet new parents.

*I look forward to seeing you around the firepit!*

### Year 2 trip to the Nature Reserve

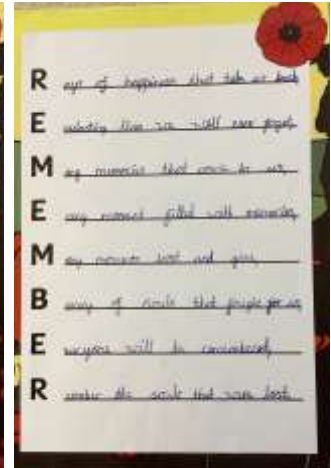

On Wednesday, Year 2 enjoyed a visit to Crown Farm Quarry Nature Reserve. We discovered different habitats and talked about the animals that might live in these. It was very exciting to turn over the logs in the log pile to see what was living underneath them. We had to remember to put the logs back exactly where we found them to keep the animals safe.

In the afternoon, we explored the woodland and found a special place or a special tree that we decorated with leaf garlands. Some of us even gave our tree a name.

## Remembrance Day

School council held a Remembrance assembly and a minutes silence to remember those who have fought in the war.

Each class created a piece of work based around remembrance - some of this work has been displayed outside school for you to see.

FS1 made sock puppets out of odd socks. We gave them names and a superpower that would help people and do good!

### Anti-Bullying Week

Our Mental Health Champions led an assembly this week to launch Anti-Bullying Week. The theme is 'Power for Good'. We then had our Odd Socks Day today, celebrating our differences.

Our new digital champions have been selected and presented with their badges in assembly.

A big welcome to Cole, Clark, Andrea, Nana, Thomas and Andrea. They join Pola, Isaac, Aimee-Leigh and Kaitlyn who continue in their DC role. The children are already planning lots of exciting lunchtime clubs and have wonderful ideas of how they can raise awareness of internet safety around the school.

### An important message for Anti bullying week!

#### 5 things you need to know about cyberbullying

- It can happen 24/7 repeatedly on a range of apps, games and devices.
- It can reach a larger number of people and increase the chance that others will join in the bullying.
- Children can't see the impact of their words so may post or share something without thinking.
- It can be anonymous so it's harder to see who's behind it.
- It's growing and can consist of harassment, threats, exclusion, defamation, and manipulation

### Praise Assembly

The following children were awarded Star of the Week in their class in our praise assembly today. They also received 5 saves. Congratulations!

FS2: Poppy

Year 1: Sophia      Year 2: Jacob  
Year 3: Wade      Year 4: Joffrey  
Year 5: Osan      Year 6: Jake

### Attendance Award

Congratulations to Year 4 for winning this week's attendance trophy.

Their winning attendance was 100%  
Well done Year 3!

They will have the attendance trophy this week.

### Science in Y4

Year 4 set up an investigation this week using eggs and different liquids to find out whether sugary drinks cause tooth decay.

The egg shell represents the enamel on our teeth. We will observe what happens over the next 7 days and record our results.

We had some interesting predictions!

### Christmas Dinner

### Headteacher's Award

Congratulations to Evelyn in Y5 for winning the Headteacher's Award this week. Evelyn is such a hard worker. She takes on all the feedback she is given in class and has an eagerness to improve.

Evelyn lives the Gospel values; she is such an asset to our school.  
Congratulations Evelyn!

### Christmas Panto

This is happening on Thursday 11th December.

Please log onto SCO Pay to pay and give permission.

This is such an enjoyable trip which the children love!
