Jesse enjoyed praying to Our Lady this week as he took home the Mary box. He wrote a beautiful prayer.

Mass Times this weekend at Our Lady's Parish Church:

Saturday at 5pm and Sunday at 9am and then 11am which includes the children's liturgy.

We have planted some flowers near our statue of Mary in the prayer garden as we are starting to see some signs that spring is coming.

Stations of the Cross

Today, a group of our children led the Stations of the Cross for the parish. The children spoke about each station and then led the congregation in prayer. They also sang a hymn at the end.

On Saturday 7th March, St Saviour's children are leading the Stations of the Cross service at Our Lady's Church.

Thank you to the parents who are bringing their children to this. This service begins at 4:15pm. All are welcome!

Stations of the Cross

In Holy Week, the children in Y4, 5 and 6 will be leading a Stations of the Cross service for our school community.

This will take place on Tuesday 31st March at 6pm in Our Lady's Church.

Year 5 EFC Mini Kickers

Well done to the children from Year 5 that took part in the Mini Kickers competition yesterday. They played lots of games against some skilful players and as always, they worked together as a team and represented our school well.

Y5 Bikeability

Last week, the children in Year 5 were given a consent form for the Bikeability L1/2 training programme. This is a free bicycle training course that is aimed at helping children to gain confidence and skills to ride safely on our roads.

The course will take place during the school day on 23rd, 24th and 25th March. There are only 18 places available, and they will be issued on a first come first served basis. Please read the form carefully to make sure that your child has all the necessary equipment before asking for a place.

Road Safety Competition

Next month's road safety bulletin is all about 'SEAT BELT SAFETY'

It is really important to keep ourselves safe when travelling in vehicles so instead of the usual seat belt, we would like you to design and if possible, make your own seatbelt or safety harness. It could be one that has a pocket attached so that children can store their toys in it. Maybe an inflatable one or fidget toy one or even one that holds a drink bottle or a snack. Be imaginative and lets see who can come up with the best creation.

You can work on this over the half term and all entries must be brought into school by Wednesday 11th March.

WOW Active Travel Badge Awards

This week, lots of children have been awarded with February's WOW Active Travel Badge.

This badge is to congratulate children who were active on their journey to school last month.

These badges will continue to be awarded each month as long as your children remain active when travelling to school.

It is wonderful to see a reduced number of cars on the road outside of school during drop off and pick up times. Well done to parents as well and thank you for supporting this initiative.

We understand that some children live further away from school and need to travel by car. If this is your child, then please be aware that if you park a few streets away and walk the remainder of the journey, then this will count towards a badge. If this is still not possible then children are being given the opportunity to do a five-minute walk around the playground when they arrive in school.

Thank you for your continued support in keeping your children healthy and keeping our streets safer.

Cheshire Phoenix

Cheshire Phoenix Juniors are holding open trials for next season and are particularly keen to welcome players for:

U11/U12 Girls Team

U12 Boys Team

The club is part of the Cheshire Phoenix Juniors basketball programme, offering young players the opportunity to develop their skills, compete in regional and national leagues and enjoy the game in a positive and supportive environment.

Players can register their interest using the online form below:

Science Week

Next week we will be celebrating Science Week in school. The theme this year is '**Curiosity: what's your question?**'

Children in KS2 will be using their investigative skills and KS1 and EYFS children will be joining in experiments that develop their curiosity and give them opportunity to ask questions.

We can't wait to share all of our learning with you next week!

Parking/Stopping on Zig Zag Lines

It is very disappointing to see that when the traffic patrol children are not out on the road in the morning and afternoon, that some people think that it is acceptable to stop on the zig zag lines.

Please be aware that we are always monitoring this, even when the children are not on duty; registration numbers will be taken and reported.

We are very lucky to have a car park opposite school so please take the time to use it.

Thank you to those who park correctly and who are actively helping to keep the roads and our children safe.

Year 5 Forest School

This week in Forest School, Year 5 were focusing on experimenting with clay. We discussed and observed different abstract sculptures that Henry Moore created and then used rolling, pinching and hollowing techniques to make mini sculptures inspired by his. We also used tools to create texture on little pots that we created and had some time to have free play in the clay.

'Mine is hollow in the middle with curved ends' Edward

'I've added zigzags to mine.' Jaydon

'Mine flows.' Emily

'I've made a stand for it.' Bow

'I'm going to start at the bottom and work up to the top', Mya

The children also had fun exploring the area and especially enjoyed trying out the hammock. They made rock craft, painted, made dens and fires! We all then enjoyed our time around the camp fire eating s'mores and having hot chocolate. Albie was in charge of making the s'mores and was proud of his work
'I'm good at making s'mores,' he said.

World Book Day

The children had a fantastic day yesterday, dressed up as their favourite book character. The vocabulary the children chose to match their character was also very impressive! The parade was a lot of fun and it was very difficult to choose winners.

The winners from each year group were:

- N: Caiden and Connor
- FS1: Jackson and William
- FS2: Georgina and Maks
- Y1: Ezra and Sophia
- Y2: Emilie-Beth and Guy
- Y3: Julian and Albert
- Y4: Alfie and Thomas
- Y5: Edward and Amelia
- Y6: Isla and Cole

Congratulations to everyone and thank you to our parents for supporting this fantastic day!

Ron and Harry studying potions!

Orange - 'As our last WBD, it was fun to take part in a quiz and be leaders with the FS1 children.'

Pola - 'It was so much fun sharing books with the FS1 children. It was so cute how they listened so carefully to our stories.'

Clark - 'It was FS1's first WBD and I feel like we gave them a good first experience at St Saviour's and as our last WBD it was memorable.'

Isaac - 'I enjoyed the Footy and Booky quiz because it was fun.'

Kaitlyn - 'I liked seeing everyone's costumes during the vocabulary parade!'

Praise Assembly

The following children were awarded Star of the Week in their class in our praise assembly today. They also received 5 saves. Congratulations!

FS1: Willow FS2: Harper
Year 1: Cillian Year 2: Connie
Year 3: Payton Year 4: Frank
Year 5: Mya Year 6: Kaitlyn

Attendance Award

Congratulations to Year 3 for winning this week's attendance trophy.
Their winning attendance was 97.9%
Well done Year 3!
They will have the attendance trophy this week and will get 15 minutes of free time.

House Point Certificates

Congratulations to Alfie in Y4 and Mariam in Y5 who were awarded their Bronze Certificate today.
Well done children!

Thought of the Week

Headteacher's Award

Congratulations to Daisy-Mae in Y2 for winning the Headteacher's Award this week. Daisy-Mae has such a growth mindset and tries hard in all of her lessons. She is making great progress because of her attitude. Daisy-Mae enjoys school and her learning and is a good friend.
Well done Daisy-Mae!

Managing Expectations

As you know, the leadership of our school is quite depleted at present, with several key staff members being on maternity leave. Please understand that my priority for the remainder of this academic year is to ensure that teaching and learning at St Saviour's remains of a high quality and that our children feel safe and supported in school.

For this reason, I may not always be available for unscheduled conversations with parents, particularly at the beginning of the school day.

If you have an issue or concern that you need to discuss with me, please make an appointment through the office so you can be given the time you need.
