Thomas, Rosin and Terez enjoyed taking the Mary box home this week. They set it up and prayed together to Our Lady.

## Sacramental Group

The children in our Sacramental group will be making their First Holy Communion on Sunday 10th May at the 11am Mass.

Last Sunday they had their rehearsal with Fr Godlove. Next week they will have their final catechesis session.

Please put this date in your diary; we would love as many St Saviour's families as possible to attend this Mass to support our children on their Sacramental journey. This is a very special time for these children and their families.

## Mass Times this weekend at Our Lady's Parish Church:

Saturday at 5pm and Sunday at 9am and then 11am which includes the children's liturgy.

This week FS2 have been learning about the story of Pentecost. As part of this, the children thoughtfully wrote their own prayers to the Holy Spirit on pinwheels that they designed and decorated themselves. They then took their creations outside, where they were delighted to see the wind bringing their pinwheels to life; helping them to reflect on the presence of the Holy Spirit as a powerful, unseen force.

## Hoops 4 Health Basketball

Our basketball team made it to the finals of the Hoops 4 Health competition last weekend. The children played 3 matches: they won 2 and lost 1 but got through to the finals. They played at half time of the Cheshire Phoenix match at Brio.

Mazie was chosen to be a mascot and she ran onto the court with one of the Cheshire Phoenix players.

The children played very well but lost in the final. We are super proud of their efforts!

## Year 5 Forest School

On Tuesday, Year 5 had their Forest School session. We began with playing a listening game and then went on a scavenger hunt for statements relating to our History topic from this half term. Once we found them, we worked together to decide if the information was true or false. After this, we had free play, practised lighting fires, hammering nails and learnt about different castles in the Norman era. We also had time to work in teams to make castles.

## Bingo Night

What a brilliant evening this was. We had almost 90 people attend our bingo evening. We played six games and in between this we had other games such as 'back to front bingo' and 'heads and tails'.

It was a fantastic community atmosphere. Thank you to the staff who helped run with night, including Alec, our bingo caller. Thank you to the families who attended and to those who donated prizes.

We plan to have another one in the autumn term.

## Geography Club

The children enjoyed learning more about our Earth and made their own this week!

### **Headteacher's Award**

Congratulations to Pola in Y6 for winning this week's Headteacher's Award. Pola is a fantastic student who tries hard in all areas. She has made excellent progress this year through her dedication to learn more and improve.

Her behaviour is excellent; she is a role model to those around her.  
Congratulations Pola!

### **60th Anniversary**

As you know, St Saviour's School is turning 60 this year.

The junior school was opened in April and the infants school 8 months later. Our celebration will be taking place on Friday 26th June.

More information about what is happening on this day will be sent out soon.

We are looking for any photos/articles/information about our school that you may have. Perhaps you came here as a child; or perhaps you have older children who attended the school.

Please email or bring in anything you have that may be of interest.

Thank you to those of you who have sent in photos already.

*With every blessing,  
Mrs Robina Baird  
and the staff of  
St Saviour's*
