We recently put up a display in our front office on St Francis of Assisi, one of our house saints. This year is 800 years since his death.

Parish Community Day

 **Saturday, 4th July**
9:30am – 3:30pm

 Parish Church & Hall

Join us as we come together as a parish community to support and care for our shared spaces.

**ORGANISE**
our hall
and kitchen

**SORT & DECLUTTER**
items we
no longer need

**PREPARE**
the hall
and spaces

**TIDY**
outdoor
areas

All are welcome

Whether you can stay all day or just help for an hour, your support makes a real difference.

Parish clean up day

If you are able to help on Saturday, please follow this link to register.

Many hands make light work!

<https://www.ourladystar.co.uk/event-details/community-day/form>

Rosary

We are grateful to Fr Godlove for recently gifting us this giant rosary.

It is in our hall, for all to see, reminding us to pray the rosary on a regular basis.

60th Anniversary Mass

Despite the extreme heat on Friday, the children were such a credit to our school. They sang beautifully and were respectful and reverent throughout.

We received so many positive comments from parishioners and ex staff and pupils. The Mass was such a fitting way to start our day of celebrations.

Our 60th anniversary mosaic is almost complete. Each child and staff member has laid a tile, as have many ex-pupils/parents and our governors.

If you were an ex-pupil and would like to lay a tile, please contact the school office to arrange a time to drop in.

Our 60th anniversary celebrations continued into the afternoon and evening.

The children had a fantastic time at the fair and it was so good to see families join us for the evening festival.

The music was sensational and the celebrations continued as we ate, drank and danced.

El Cuidado made the most of the sunshine and created their own slip and slide! They had so much fun and went home very soggy but very happy!

FS2 Graduation

This will be taking place on 16th July at 9:15am in the school hall. The parents and grandparents of our FS2 class are welcome to attend this special event.

EY Transition

This will take place on Wednesday 15th July at 9am, after all of our home visits have taken place.

Forest School

Year 4 had a brilliant time during forest school this week. We went on a European flags scavenger hunt and made some delicious Italian pizzas!
We cooled off at the end of the day under the cold hose pipe!

Geography Club

This week in Geography club we explored the main types of clouds and how they are formed in the sky. The children enjoyed discovering names such as cumulus, stratus and cirrus and discovered how clouds tell us about the weather. As part of our learning we created our own cloud spotter that we can use to identify different clouds.
It was wonderful to see such enthusiasm as we became young weather watchers!

Nursery had such a good time during their water play last week!

Science club and nature club enjoyed exploring the forest on their minibeast hunt this week. Some children made cookie dough over the fire and Waffle enjoyed playing in the mud kitchen!

Well done to our Sports Day medal winners!

Year 5 & Year 6 enjoyed joining the Chester Zoo UK Wildlife workshop on Thursday afternoon.

CODING CLUB

Year 1 welcomed Ann to their classroom recently to talk about her faith, as part of their RE learning. Ann is a parishioner of Our Lady Star of the Sea and has been going there since she was a baby. She talked about what was important to her and her faith, she brought in some special Rosary beads and a statue of St Ann and Mary. The children asked her some questions, finding out her favourite hymn, her favourite things about going to church and her favourite Bible story. The children loved listening to her. We finished by singing Ann's favourite hymn 'Here I am Lord.'

Please remember to join us for the EY Stay and Play on Thursday after drop off.

Parents of our EY children are urged to come into school until 9:30am to enjoy spending time in our learning environment with their child.

Early Years Farm Experience

Early years had a wonderful time with the animals from Cheshire Mobile Farm. They learnt the names for the male, female and baby animals, what they eat and what they need to thrive. The children groomed and walked the animals and loved spending time in the sunshine with them.

Thought of the Week

'Love bears all things, believes all things, hopes all things, endures all things. Love never fails.'
St Paul

Dates to Remember:

WB Mon 29th June:	Careers' week in school
