Sacramental Programme 2027

Thank you to the families who attended the Sacramental meeting last Sunday after Mass. If you wish to express an interest in your child partaking in the programme this year and you are able to commit to attending Mass each weekend, please see Fr Godlove after one of the Masses this weekend to collect a form.

This week in FS2, the children have been learning that God made our beautiful world and everything in it. They have been reflecting on the Story of Creation and developing their understanding of God's love for His creation. We have been singing an action song to help retell the Creation Story in a fun and active way. The children have thoroughly enjoyed joining in with the words and actions. We have also been focusing on learning the words and actions for the Sign of the Cross, helping the children to grow in confidence as they take part in prayer and worship.

If you are looking to purchase a Bible for your child; this is the recommended one. It is particularly good for children from Y3 onwards.

Parish Quiz Night

It was so lovely to see some of our St Saviour's families attend the last quiz night.

The next quiz will be taking place on Saturday 3rd October from 6:30pm.

I hope you are able to attend this.

Parish Christmas Fair

This will take place on Saturday 12th December.

There will be a planning meeting after 11am Mass on Sunday 27th September in the parish centre.

I hope you are able to attend this.

FS1 celebrated international dot day this week by listening to the wonderful story about creativity and self-belief! The children then enjoyed some large-scale painting and made dots based on the creation story. They did an amazing job and let their creative spirits shine!

On Tuesday 6 October, Year 3 will be visiting the World Museum as part of our History topic. The children will take part in two exciting workshops: Discover Ancient Egypt and Preparing for Forever: Ancient Egyptian Rituals. This visit will help the children learn more about life in Ancient Egypt and deepen their understanding of the topics we have been studying in class. We are looking forward to a fun and educational day.

FS1 enjoyed their first forest school session. The children enjoyed picking blackberries and looking at the signs of Autumn!

We played in the forest and enjoyed marshmallows on the fire. The children followed the rules amazingly and it was a lovely morning in the September sunshine!

Nursery practiced their counting and building skills this week as they created towers using a variety of different blocks!

MacMillan Coffee Morning

Thank you for all of the wonderful cake donations for our Macmillan Coffee Morning. What a great success it was! It was lovely to see lots of parents having a cuppa and a catch up for such a great cause.

The children thoroughly enjoyed the cake sale and were so excited!

Thank you to everyone who donated or purchased cakes today. We raised just over £350 for this worthy cause! We are very grateful for all of your efforts and support.

Congratulations!

We had some fantastic staff news in the summer. Miss Thomson got married to Ben and is now Mrs Abnett.

As well as this, Miss Burrows got engaged over the summer break! Dan proposed to her with the help of their puppy – Atlas!

We wish both Mr and Mrs Abnett and Miss Burrows and Dan a lifetime of good health and happiness.

Parent Meetings

Please ensure you have taken the time to book a meeting with your child's teacher for next week's Parent Meetings. Here, your child's targets will be shared so that you are able to support them with their learning at home.

Uniforms

Please ensure your child is wearing the correct uniform to school each day. We have a number of pieces of uniform on our second hand uniform rack in the front office. Please help yourself to these. Moving forward, we will only accept green pieces of uniform for our second hand rack.

Absences

Please remember that parents are expected to call or email the school office by 9am if your child is absent. It is essential that you inform us of the reason for any absence on the morning it occurs.

We should not be in a position where the office staff are calling you to request this information. Prompt communication from parents ensures our attendance records remain accurate and allows us to fulfil our safeguarding responsibilities.

Breakfast

Next Thursday, the children who were nominated for, or won Star of the Term in the summer, will have breakfast with Mrs Baird.

Lunch Menu

The lunch menu can be found on our website:
