My Happy Mind parent app

We've had several questions this week about how to access our My Happy Mind parent app. This is a fantastic tool to help your child with emotional regulation, education on how their brains work, and to help target problems like anxiety around new activities. At several places around the school (outside the office and Year 2 classroom), you can find a poster with a QR code. This will take you to the MHM parent app. Once installed, you will need to enter:135505 as our school's unique reference number. Once you've done this, you'll be able to access all the resources listed! Enjoy!

Year 2 Maths

Year 2 took their maths learning outside this week to consolidate their understanding of number lines. Using the playground as a giant number line, the children practiced counting forwards and backwards, estimating numbers on a line and practicing their ten times tables.

Saints Feast Days

This year, we will be asking the children to celebrate our house saint by wearing the colour of the house on that day.

Next Thursday, 1st October, is the feast day of St Therese of Lisieux. All children in this house, are allowed to wear red to school on this day, as red is the colour of this house.

Sunday 4th October is the feast day of St Francis of Assisi. This means that on Monday 5th October, all children who are in this house we be able to wear green to school on this day.

The children may wear their own clothes of this colour; or a t-shirt with their uniform.

This will be a visible way to celebrate each of our house saints this year.

Swimming

Due to the disruption we have experienced this week, swimming will continue for Year 3, 4, 5 and 6 on Monday 28th and Tuesday 29th.

From Wednesday 30th Year 6 will then swim until Tuesday 6th October.

Please ensure your child has their swimming kits with them next week.

Thank you for your understanding!

Nursery were delighted to welcome Mollie and Maggie to their classroom this week! The children, and the dogs, were very excited as they enjoyed giving and receiving lots of treats. We also talked about how to behave safely and respectfully around dogs, reminding each other to stay calm, quiet and kind.

FS1 had a special delivery from the Deep Dark Wood this week - the new book 'Gruffalo Granny'. After reading the story, the children explored different vegetables to make their own stew, using sentence stems and new vocabulary to describe the smell and taste!

Our Lady Help of Christians Academy Trust

Next week, on 1st October, our school will officially join the OLHOC Academy Trust.

This marks an important and exciting new chapter in our journey. It will provide us with opportunities to work even more closely with a family of Catholic schools that share our values, vision and commitment to excellence in education.

We look forward to benefiting from greater collaboration and shared expertise, while continuing to celebrate the unique identity and strengths of our school community.

Absences

Please remember that parents are expected to call or email the school office by 9am if your child is absent. It is essential that you inform us of the reason for any absence on the morning it occurs.

We should not be in a position where the office staff are calling you to request this information. Prompt communication from parents ensures our attendance records remain accurate and allows us to fulfil our safeguarding responsibilities.

Breakfast

Yesterday, the summer Star of the Term nominees and winners, enjoyed breakfast with Mrs Baird.

The children had cereal, croissants, pancakes and fruit. It was a very enjoyable morning.
