

Art: Painting

Key word	Definition
hue	A colour or shade.
pigment	A substance that gives colour to other materials.
primary colours	Any of the three basic colours of the spectrum from which all other colours can be made by blending. In paint, they are red, yellow, and blue.
secondary colours	These are colour combinations created by the equal mixture of two primary colours. In paint, they are orange, green and purple.
sketch	A quick or rough design, outline, or draft for a creative piece.
technique	The particular method or way of doing or performing something.
